Letter No. 230 C.R.B. dated 10/11th July 1934 from the Secretary, Central Recruitment Board, Bangalore, to the Superintending Engineer, Shimoga Circle, Shimoga.

With reference to your letter No. 9348 dated 26th June 1934 requesting to be informed whether one Mr. B.V.Anantharaman may be appointed in a vacancy on Rs30 in your unit, I am directed to state that the thrownout officials are usually absorbed in suitable vacancies by the Central Recruitment Board Office, according to the circumstances of each case before advertisement. As the vacancy referred to has already been advertised Mr. B.V.Anantharaman cannot be absorbed in it. His name will, however, be included in the list of thrown out officials to be absorbed in suitable vacancies.

I am therefore to request you to be so good as to appoint one of the Central Recruitment Board candidates whose applications will be forwarded to you in due course and forward the 'B' Statement of appointment at an early date.

Memo No.231/C.R.B. dated 11th July 1934.

Copy of the above is forwarded with compliments to the Secretary, Board of Management, Mysore Iron Works, with reference to his letter No. 119 dated 19th June 1934.

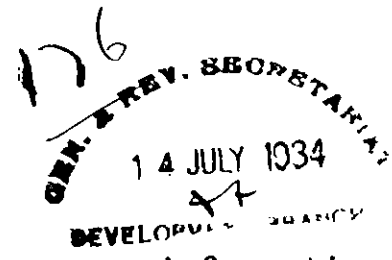
13th July 1934



My dear Sir,

I am enclosing herewith for your information a copy of letter No. 230 C.R.B. dated the 10/11 July 1934 from the Secretary, Central Recruitment Board to the Superintending Engineer, Shimoga Circle, and copied to us. It appears to me from this letter that the officials thrown out of the Mysore Iron Works cannot be appointed against vacancies already advertised. I understood from Development Secretary's letter No. D.5719-20/I.W. 37-33-2 dated the 22nd May 1934 to the Chief Engineer and the Secretary, Central Recruitment Board, that the officials thrown out of the Iron Works will be given preference, while making appointments or filling up vacancies. In view of this I cannot understand why the officials thrown out of the Iron Works should not be appointed against vacancies, which have already been advertised but not disposed off. As a matter of fact, I have come to know that orders appointing two of the clerks have now been cancelled by the Superintending Engineer.

In these circumstances, I am quite unable to make out the correct position, and I shall thank you to kindly

(3) On a reference from the Superintending Engr Shimoga Circle, whether B. V. Anantaramaiah may be absorbed a thrown-out Official of the Bhadravati Iron Works, may be absorbed in the advertised General vacancy of Clerk on Rs 30 (No 1434/33) the reply was given that the case of this Official (who was not also qualified for the vacancy) would be considered separately and that the advertised vacancy may be disposed of by the appointment of one of the C.R.B. applicants.

(4) The Secy. Mysore Iron Works now appointed wants to be enlightened as to the exact position with regard to the question of absorption of thrown-out Officials. This is for perusal and orders in view of the order of the First Minister on another case of absorption of a thrown-out Official of the same Dept (Vide Flag 'V' placed below) file Sd/ with reference to para (2) of the notes on the file P. referred to, to see if ~~any~~ any of them or absorbed could be ~~absorbed~~ appointed ~~absorbed~~ in that vacancy without advertisement, with regd to the nature of the vacancy, (Special or general) & to the qual^ns (required for the vacancy & possessed by the candidate). Such qualified & eligible names are suggested for orders of appt^n in the available vacancies.

(6) In regard to the particular official (Mr. B.V. Ananthoraman) under regd, the vacancy for which he applied in the Shimoga Supt Engr's office had already been advertised, & besides, he did not possess the minimum qual^n (S.S.L.C) prescribed, for it. The Supt Engr made a regd whether the thrown-out hands of the Iron work may be absorbed irrespective of their Community (or their qual^ns) for the vacancies already advertised. He was informed of the general procedure, as above, for absorption of these thrown-out officials in vacancies before adv^t, & was also told that the name of this official will be included ~~will be brought~~ in the list for absorption in Suitable vacancies.

(7) The Iron works Secy has in his present regd, raised the point that the thrown-out officials should also be

appointed in vacancies that have already been advertised but not disposed ~~of~~. The point apparently is that, even in advertised vacancies for which they are no applicants, they should be absorbed, without regard to the point of regd qualifications & of the eligibility ~~according~~ to the vacancy, according as the person is a Brahmin or a backward Community ~~candidate~~ man.

(8) Recently, in connection with the case of a thrown out hand, (one Mr. Ramasharma, a Brahmin), in the adv^d special vacancy of Typist in the mayor mun^l, the 1st member ordered:- " I think we have to take some special action re: officials retrenched at Bhadravathi. This vacancy (a special one) may be kept out of classification & offered to Rama Sharma". [That official was, however, a qualified hand for the vacancy, though not eligible].

V (in the file linked).

(9) In these circs, it is for orders if these retrenched officials are to be absorbed in vacancies, irrespective of the eligibility (i.e Community) of the persons, & of the point of qualifns

or, whether they are to be preferred, if qualified & eligible, & whether their case are also to be considered in vacancies already advertised, though they are not applicants or qualified or eligible for those vacancies. [It is seen from ~~that the quadrangle~~ the list of these thrown-out hands, that ~~most~~ the majority ~~of~~ them have low general qualfns. (i.e, less than SSLC Pass) & that, with very few exceptions, all are Brahmins].

(10) I do not think that an exemption could be granted in the case of those hands thrown out of the Bhadravati Iron Works as regards the minimum qualifications required for a vacancy. For those possessing the minimum qualification prescribed, preference may be shown if the candidate is a Brahmin in a General vacancy. The case of such may be considered in the vacancies already advertised and for the future vacancies they may be absorbed without
